

Ring of Fire

Fire is a dangerous thing
It burns most of anything
Check your smoke alarm
If it don't work, it may cause you harm!

Chorus: Don't play around with matches or lighters
They'll burn, burn, burn
Have to call the firefighters
Always think safe,
Don't play with fire!
Don't play with fire!

If you find a match,
1 or 2 or 3 or whole batch
Find an adult quick:
Bob or Joan or maybe Rick.

Don't play around with matches or lighters
They'll burn, burn, burn
Have to call the firefighters
Always think safe,
Don't play with fire!
Don't play with fire!

If you smell smoke,
Make a call, it's not a joke!
Dial – 911!
But not 4661!

Don't play around with matches or lighters
They'll burn, burn, burn
Have to call the firefighters
Always think safe,
Don't play with fire!
Don't play with fire!
