

**Together we CARE, we LEARN, we GROW**

Mission - We Believe in...

***Empowering students to use their imagination and creativity to learn and grow into thriving global citizens through skillful teaching and a love for kids.***

we <b>CARE</b>	we <b>LEARN</b>	To <b>GROW</b>
<ul style="list-style-type: none"> <li>-the way to a child’s mind is through their heart</li> <li>-caring is about our community; a community supports each other emotional and academically.</li> <li>-we celebrate diversity and promote belonging for all people.</li> <li>-we care about school culture and that our school is a safe place for everyone.</li> <li>-we value being confident and independent, while being respectful and responsible.</li> <li>-we want students to be aware of local and global needs.</li> <li>-we celebrate the successes of others</li> </ul>	<ul style="list-style-type: none"> <li>-all students can learn and grow at their own pace</li> <li>-achieving is about learning. Student’s learning is a shared venture between students, caregivers, and teachers.</li> <li>-deep learning occurs when content is relevant</li> <li>-we want students to know what they are learning, how they will get there, and what they need to do next.</li> <li>-we want to give students the tools and opportunities to learn in different ways</li> <li>-we want students to be motivated and engaged</li> <li>-we will be diligent in knowing how our students are progressing and how we can involve them in the learning process</li> </ul>	<ul style="list-style-type: none"> <li>-in order to develop the whole child, they must know themselves as a learner and person.</li> <li>-we can all grow if we work hard and are all capable of achieving our dreams</li> <li>-provide students with lots of opportunity to grow and demonstrate their learning.</li> <li>-we want students to show the values of respect, curiosity, courage, perseverance and resilience in everything they do.</li> <li>-we want students to apply their ideas thoughtfully and flexibly in order to face challenges and solve problems.</li> <li>-applying what has been learned to our daily lives now and in the future.</li> </ul>
