

WHAT SHOULD I DO IF MY CHILD IS SICK?

If a student displays one symptom from **Column A** or two symptoms from **Column B**, the school will contact the parent/guardian to pick up their child. Regardless of whether these symptoms occur at school or home, the child should be immediately tested for COVID-19.

If your child displays one symptom from column B and no symptoms from column A, the school may still call you to pick up your child. Your child can return once the symptom has resolved. If individual circumstances exist that you wish to discuss with the school, please contact the principal.

COLUMN A

Do you have a new onset, or worsening, of any **ONE** of the following symptoms?

- Fever $>38^{\circ}\text{C}$ or think you have a fever or chills
- Cough
- Sore throat/hoarse voice
- Shortness of breath/breathing difficulties
- Loss of taste or smell
- Vomiting or diarrhea for more than 24 hours

COLUMN B

Do you have a new onset, or worsening, of any **TWO** of the following symptoms?

- Runny nose
- Muscle aches
- Fatigue
- Conjunctivitis (pink eye)
- Headache
- Skin rash of unknown cause
- Nausea or loss of appetite
- Poor feeding (if an infant)

AFTER MY CHILD IS REFERRED FOR A COVID-19 TEST

WHEN CAN MY SICK CHILD RETURN TO SCHOOL?

COVID-19 TESTED

Your sick child tested **NEGATIVE**. They can return to school after 24 hours of being symptom-free.

Your sick child tested **POSITIVE**. Public Health will provide guidance regarding what is required before your child can return to school.

NOT COVID-19 TESTED

Your sick child must self-isolate for 10 days from symptom onset and can return if symptoms have resolved at that time.

WHAT HAPPENS IF A FAMILY MEMBER LIVING IN THE SAME HOUSEHOLD DISPLAYS COVID-19 SYMPTOMS?

If a family member displays symptoms of a cold or flu but have not tested positive for COVID-19, the child may attend school as long as the child is not symptomatic. If a family member tests positive, the child would become a close contact and would need to isolate as per Public Health directives.
