BOARD OF TRUSTEES

Public Board Meetings

During the school year, public board meetings are held on the first Tuesday of each month at the HSD Administration Office in Steinbach. Meetings begin at 7:30 pm, and all are welcome to attend. Public consultation on the 2022/23 budget will take place on October 26, 2021.

EMERGENCY COMMUNICATION

Contact Information and Status Updates

In a crisis, HSD may need to send critical and urgent communications to parents/caregivers. Therefore up-to-date contact information must be on file with your child's school. Please ensure your child's school has an accurate phone number and email on file to reach you. If applicable, HSD will also post any incident/crisis updates at www.HSD.ca and on Twitter @HanoverSD.

WEATHER-RELATED SCHOOL CLOSURE

Extreme Hazardous Weather

Schools will close when weather and road conditions in Hanover School Division are such that it is not advisable to transport students via school buses. If the weather conditions deteriorate after the school day has started (resulting in unsafe driving conditions that necessitate cancelling bus service for the return trip home), students will remain in school until other arrangements can be made. HSD will not send buses out early.

Extreme Cold Weather

Schools will close for cold weather reasons when the Environment Canada Kleefer Weather Station temperature at 6:00 am is -35 degrees Celsius (or colder) OR indicates a wind chill of -45 degrees Celsius (or colder).

If parents/caregivers are concerned about their child's safety during periods of extreme weather, they may choose to keep their child at home. In such instances, please inform the school as per regular absence procedures.

Weather-Related Notifications

Parents/caregivers will receive an automated phone message (between 6:00 am - 8:00 am). HSD will also post closure notices at www.HSD.ca and on Twitter @HanoverSD. Visit the HSD website for a list of local news outlets that announce weather-related school closures.

HSD PARENT PORTAL

Stay Connected and Informed! Be sure to login into your account within the first few weeks of school startup. There you will find updates to student agreements (such as the updated Responsible Use of Technology Agreement) and other forms that require your consent or verification.

COVID-19 INFORMATION

Communications

Hanover School Division will continue to work closely with Public Health and Manitoba Education to ensure the safety of our students and staff. HSD will communicate updates to parents/caregivers as new information becomes available.

Visit our website at HSD.ca/covid19 for more details regarding back-to-school plans, parent/caregiver resources, safety measures, screening tools, and case reporting.

Mental Health & Well-Being

Supporting the positive well-being and mental health of students, staff, and families is a key priority for Manitoba Education and for its many educational partners throughout the province. This support has been needed this past year more than ever, as we all deal with the many stresses and uncertainties that have resulted from the COVID-19 pandemic.
