

Southwood PAC Meeting March 2nd, 2022

In Attendance: Marge Thiessen, Melissa Heinrichs, Shellyna Lipic, Steph Noll

Meeting start: 6:00pm

1. Learning Expo – Parent thoughts on styles of parent/teacher meetings
 - this is where students work is showcased, focusing on a theme ie: poems, music, etc
 - would like it to be student lead and parents may come and have a look (by appointment)

2. Spring Playground conditions
 - may need to move zones accordingly depending on weather conditions
 - try to have extra socks, etc on hand if child needs
 - send letter out to parents to possibly have a spare change of clothes in child's backpack if needed due to weather conditions (rain/wet)

3. Report Cards
 - Due to many days off this term (weather) child's grade will be based on “less work” as some of the material was not yet covered.

4. Hot lunch dates
 - Will have 1 hot lunch date in March, and aim for 2 per month moving forward. Will just confirm with Smittys that the dates work as well as having equal amounts of “odd” and “even” school days to give all kindergarten children the opportunity

5. Other
 - Would like to put up a PAC sign up sheet to get more parents to join. Put up at school events and the picnic

 - Fundraisers; would it be beneficial to have multiple fundraisers at a time so people can choose, maybe 3 options

End time: 6:30pm

Next meeting: Wednesday, April 13th, 2022
