1. School Update

- Christmas concert is coming up. Everyone is excited about it, however there is an issue with the venue becoming too small for the amount of people in attendance. May need to explore venue options.

- Cold weather policy reminders will be sent out.
- On average there are 11-13% absentees each day due to cold-flu.
- The school has been working with Soups On to provide lunches for those that are without during the day
- There is dress up week on the last week of school.

2. Hot Lunch

- Seems to be running fairly smoothly so far. We are thankful for the volunteers that are able to make it out and help hand out the food.

3. Fundraiser

- We just finished our giftcard fundraiser. We sold \$39715 in giftcards.
- We would like to do another fundraiser in the new year. Possibly pizza and cookies
