Meeting start: 6:00pm

1. School Report

- Report cards will be going out on the 20th
- Getting ready for Spring break
- Tobogganing and Winter Fun Day went well
- Want to start adding in the loose parts playground, also figure out cleanup/storage of these items and how to play properly and safely
- Chocolate sales; ordered too many
- Panorama survey for grade 3 /4 for emotional well being. How are they feeling about school? Etc.
- After spring break, school will start planning for next year. Class/teacher/student placements etc.
- Field trips and presentations will start once back from the break
- There will be spring photos for the grade 4 students

2. Hot lunch

- We are still having difficulty finding volunteers to help hand out hot lunch
- There seems to be some confusion when ordering hot lunch, as Munch a Lunch is sending a receipt even when the order is not yet paid for. Trying to get that fixed
- We cannot give students food without parents permission
- We would like to find a substitute for the french fries as they tend to be cold and soggy by the time the kids eat them. Is it a timing issue, or the wrapping it comes in? Add a bag of chips?
- Need to get some paper plates for distribution

3. Fundraising

- Will be paused for the moment. We will discuss at a later date

Meeting End: 7:05pm
