1. School Update
 - Teachers/Staff just had a meeting to start planning for next year. Plans to be submitted to the school division and province.
 - Working on class lists for next year. Larger class sizes likely. Possibility of split classes or multiple looping.

 - Grade 1 / 2 Spring concert will be in May. Starting to get ready for that.
 - Soups on has been providing lunches to kids who need. Have been running into snags with limited storage space as well as not being able to provide fresh fruits and vegetables due to rising grocery costs.
 - The school has set up a bowl of fresh fruit in the lobby for anyone who would like.

2. Hot Lunch
 - Last snow day Pizza Day is rescheduled to Friday, April 21st
 - Last Hot lunch session will be open to ordering next week
